

Appl. No. : **09/683,600**
Filed : **January 24, 2002**

REMARKS

Reconsideration and allowance of the above referenced application are respectfully requested.

Applicant elects the group I Claims 13, 14, 15, 17, 18, 27 and 28 “drawn to a electronically operated device that compares recognized voice information against said stored contact information and controls automatically placing a call based on the stored contact information, classified in class first electronically device that compares, classified in class 455, subclass 414.1.”

The group II claims 19, 20, 21, 23, 24, 25, 26, 29 and 30 are cancelled, as is the previously non-elected claim 11.

Claim 27 stands objected to due to informalities. This has been obviated herein by removing the word “second”.

Claims 19-21, 23, 26, 29 and 30 are rejected under 35 USC 112, second paragraph, based on indefiniteness. These claims are non-elected and now cancelled. This obviates the rejection.

No prior art has been cited. Hence, the remaining claims should be allowable for these reasons.

For all of these reasons, it is respectfully suggested that all of the claims should be in condition for allowance. A formal notice of allowance is hence respectfully requested.
